March 20, 2018
Grain Farmers of Ontario

WHAT IS THE MARCH CLASSIC?

The March Classic is the largest grain-focused conference in Eastern Canada drawing upwards of 700 attendees from farms across Ontario, government, and industry.

Conference attendees will receive presentations from four world-class speakers, as well as updates from Grain Farmers of Ontario.

Throughout the day, the exhibit hall hosts over 60 exhibits, including large machinery, as well as special benefits like book signings and meet-and-greets with celebrities.

Those who stay for the evening banquet will enjoy continued conversations while dining and being entertained by a top-notch performer.

WHY SPONSOR THIS EVENT?

This high profile event draws a lot of attention. Your company will receive recognition, not only from the attendees, but also through media and word-of-mouth at numerous Grain Farmers of Ontario meetings leading up to the event.

Your sponsorship demonstrates your commitment to the grain industry and will build your reputation among the Grain Farmers of Ontario membership – a membership that includes all 28,000 barley, corn, oat, soybean, and wheat farmers across the province.
